Dear Suzette

Wow – thank you, thank you, thank you! What a super day! I can't even begin to tell you how grateful I am to you for taking care of everything for today and for all your support.

Everything worked out beautifully, from the weather to the jacarandas, the meal... everybody I have spoken to has been raving about it! My favourite memory of the day was driving away from the last view point and seeing you sitting in the back of the cabrio with a glass of champagne – the way it should be done! 😊

Thank you for being a wonderful hostess today. I really do hope you also enjoyed the day in spite of all the hard work you put in.

I look forward to chatting to you and PJ more about the way forward for the region and the club. I sincerely hope I will be able to draw on your wealth of experience.

I look forward to seeing you soon.

Lots of love,

Sven
